

## NOTICE

Dear Members,

On Wednesday, 11 March 2020, the World Health Organization (WHO) upgraded the status of the COVID-19 outbreak from epidemic to pandemic. In view of the seriousness of the issue and in the best interest of the members of the Royal Selangor Club, the General Committee has initiated additional control and preventive measures. With effect from Monday, 16<sup>th</sup> March 2020 members are strictly required to adhere and subject to the following instructions when visiting the Club.

### ENTRANCES TO THE CLUB

#### DATARAN

Members and guests are only allowed access via two entrances

- a. Main Entrance - Lobby
- b. Long Bar Entrance

#### KIARA ANNEXE

- a. Main Guard Post - Upon approaching barrier gate access

### BODY TEMPERATURE SCREENING

1. Members and guests will be subject to passive temperature screening at the entrances. Individual with temperature higher than 100 F (38 C) will be advised to leave the premises and to seek medical attention immediately.
2. If an individual with temperature higher than 100 F (38 C) shares the same vehicle with others, the whole group in that vehicle will be advised to leave the premises and seek medical attention immediately.

Your cooperation is essential to make this an effective initiative.

**The General Committee**
